Word Count: Abstract=255; Manuscript=3688

Potential conflicts of interest: Dr. Teal has served on scientific advisory boards of Actavis and Bayer Healthcare, and serves on a Data Monitoring Board for a study funded by Merck and Co. The University of Colorado Department of Obstetrics and Gynecology has received research funding from Bayer, Agile Therapeutics, Merck and Co, and Medicines360. All other authors report no potential conflicts of interest.

This work was presented as an oral abstract at the North American Society of Family Planning, Miami, Florida, October 12, 2014.

This work was not supported by any funding agencies in the public, commercial, or not-for-profit sectors.
