

Accepted Manuscript

Title: The four-category classification of the urgency of caesarean sections in the UK needs vital improvements

Author: Shashikant L. Sholapurkar

PII: S0301-2115(18)30020-4
DOI: <https://doi.org/10.1016/j.ejogrb.2018.01.012>
Reference: EURO 10195

To appear in: *EURO*

Received date: 7-1-2018

Please cite this article as: Sholapurkar Shashikant L. The four-category classification of the urgency of caesarean sections in the UK needs vital improvements. *European Journal of Obstetrics and Gynecology and Reproductive Biology* <https://doi.org/10.1016/j.ejogrb.2018.01.012>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
