13

14 Running head: Recurrence of deep infiltrating endometriosis

15 Disclosure statement: The authors declare that they have no conflicts of interest and
16 nothing to disclose.

17 250 word unstructured abstract, 5000 words limit 60 references

18 **Precis:** Recurrence and related risk factors after surgery for deep infiltrating endometriosis
19 were analyzed following a literature review, finding that younger age and higher body
20 mass index were predictors of recurrence.
