19 Conflict of interest: The authors declare no conflicts of interest.

20

21 **Precis:** Ovarian endometriomas may be an indicator of other endometriotic lesions, and proper
22 ultrasonographic diagnosis is necessary to guide surgical, medical, and hormonal therapy to preserve
23 fertility and avoid unnecessary procedures.

24

Comment [A1]: AUTHOR: Two different versions of Precis section were provided and the one in the manuscript has been used. Please check and confirm that it is correct
