11 **Conflicts of interest:**

12 No relevant conflicts of interest are reported by DP, MB, DO, AV, AF, and JV in the subject  
13 matter or materials discussed in this manuscript.

14

15 Prof. D'Hooghe reports grants from Ferring, Merck Serono, personal fees from Astellas,  
16 Actavis, Bayer, Roche Diagnostics, Cartagenia, outside the submitted work. Since October  
17 1st 2015, he has been appointed as Vice-President and Head, Global Medical Affairs Fertility  
18 with Merck, Darmstadt, Germany. The work published here was done entirely before that  
19 appointment, and was performed under his supervision in his role as Clinical and Academic  
20 Head, Division of Reproductive Medicine, Leuven University Hospitals. Since October 2015,  
21 he has continued to serve as Professor in Reproductive Medicine at KU Leuven (University  
22 of Leuven).

23

24 **Funding:**

25 This project was partially funded by Flanders Research Foundation (FWO), grant number  
26 11S6614N/11S6616N.
