### **Financial Support**

W.A. Calo was supported by NCI training grant R25 CA116339. The funder played no role in: 1) study design; 2) the collection, analysis, and interpretation of data; 3) the writing of the report; or 4) the decision to submit the manuscript for publication. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Cancer Institute.

### **Disclosure of Potential Conflicts of Interest**

N.T. Brewer has received HPV vaccine-related grants from or been on paid advisory boards for Merck Sharp & Dohme and Pfizer; he served on the National Vaccine Advisory Committee Working Group on HPV Vaccine and is chair of the National HPV Vaccination Roundtable. The other authors of this paper have no financial disclosures or potential conflicts of interest to report.
