This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Ophthalmic imaging in children: current practice patterns and perceived barriers

Allison R. Loh, MD,^a Beth Edmunds, MD, PhD,^a John P. Campbell, MD,^a Leah G. Reznick, MD,^a Bibiana J. Reiser, MD,^{b,c} David Huang, MD, PhD,^a and Michael F. Chiang, MD,^{a,d,*}

Author affiliations: ^aDepartment of Ophthalmology, Casey Eye Institute at Oregon Health & Science University, Portland Oregon; ^bChildren's Hospital Los Angeles, Los Angeles, California; ^cUSC Roski Eye Institute, Los Angeles, California; ^dDepartment of Medical Informatics and Clinical Epidemiology, Oregon Health & Science University, Portland, Oregon

Financial support: Supported by grant P30 EY010572 from the National Institutes of Health, Bethesda, MD, and by unrestricted departmental funding from Research to Prevent Blindness, New York, NY.

MFC is an unpaid member of the Scientific Advisory Board for Clarity Medical Systems (Pleasanton, CA), and a Consultant for Novartis (Basel, Switzerland). Oregon Health & Science University (OHSU) and David Huang (DH) have significant financial interests in Optovue, a company that may have a commercial interest in the results of this research and technology. These potential conflicts of interest have been reviewed and managed by OHSU. DH is a consultant for Optovue Inc and has patent royalty, stock ownership, research grant and material support, speaker honorarium and travel support.

Presented at the 43rd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Nashville, Tennessee, April 2-6, 2017.

Submitted November 7, 2017.

Revision accepted November 22, 2017.

Correspondence: Michael F. Chiang, MD, 3375 SW Terwilliger Blvd. Portland, OR 97239 (email: chiangm@ohsu.edu).
