Disclosing Study Information to Children and Adolescents: Is what they want, what their Parents think they want?

Alan R. Tait, Ph.D., Michael E. Geisser, Ph.D., Lamira Ray, B.S., Raymond J. Hutchinson, M.D., M.S., Terri Voepel-Lewis, Ph.D., R.N.

PII: S1876-2859(17)30357-1

DOI: [10.1016/j.acap.2017.06.005](https://doi.org/10.1016/j.acap.2017.06.005)

Reference: ACAP 1050

To appear in: *Academic Pediatrics*

Received Date: 13 February 2017

Revised Date: 15 May 2017

Accepted Date: 3 June 2017

Please cite this article as: Tait AR, Geisser ME, Ray L, Hutchinson RJ, Voepel-Lewis T, Disclosing Study Information to Children and Adolescents: Is what they want, what their Parents think they want?, *Academic Pediatrics* (2017), doi: 10.1016/j.acap.2017.06.005.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## Disclosing Study Information to Children and Adolescents:

### Is what they want, what their Parents think they want?
