Address: Sleep Center

The Children's Hospital of Philadelphia

3401 Civic Center Boulevard

Philadelphia, PA 19104

Phone number: (267) 207-8438/ (267)426-5842

Fax number: (267)426-9234

Educational Aims:

The reader will come to appreciate that Kleine Levin Syndrome:

- Is most often diagnosed in adolescence after several years delay.
- As a rare condition has limited data upon which to base treatment decisions.
- Presents with a triad of hypersomnia, confusion, apathy and derealisation.
- Has a good prognosis but has a significant impact on social and professional function.
