

## Accepted Manuscript

Out with the old, in with the new: Assessing change in screen time when measurement changes over time

Katie E. Gunnell, Jennifer Brunet, Mathieu Bélanger

PII: S2211-3355(17)30181-X  
DOI: <https://doi.org/10.1016/j.pmedr.2017.12.008>  
Reference: PMEDR 575  
To appear in: *Preventive Medicine Reports*  
Received date: 18 July 2017  
Revised date: 11 December 2017  
Accepted date: 18 December 2017

Please cite this article as: Katie E. Gunnell, Jennifer Brunet, Mathieu Bélanger , Out with the old, in with the new: Assessing change in screen time when measurement changes over time. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Pmedr(2017), <https://doi.org/10.1016/j.pmedr.2017.12.008>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
