DISCLAIMER: This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our subscribers we are providing this early version of the article. The paper will be copy edited and typeset, and proof will be reviewed before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to The Journal pertain.

All press releases and the articles they feature are under strict embargo until uncorrected proof of the article becomes available online. We will provide journalists and editors with full-text copies of the articles in question prior to the embargo date so that stories can be adequately researched and written. The standard embargo time is 12:01 AM ET on that date.

A NATIONWIDE SURVEY OF PROSTATE SPECIFIC ANTIGEN BASED SCREENING AND COUNSELING FOR PROSTATE CANCER

Corresponding author: Quoc-Dien Trinh, M.D., Center for Surgery and Public Health and Division of Urologic Surgery, Brigham and Women's Hospital, Harvard Medical School, 45 Francis Street, Boston MA 02115, Phone: +1 (617) 525-7350, Fax: +1 (617) 525-6348, Email: trinh.qd@gmail.com

Financial support for this study was provided entirely by a grant from the Professor Walter Morris-Hale Chair in Urologic Oncology at Brigham and Women's Hospital and the Vattikuti Urology Institute. The funding agreement ensured the authors' independence in designing the study, interpreting the data, writing, and publishing the report. The following author(s) is/are employed by the sponsor: Quoc-Dien Trinh.
