Statewide Collaborative to Reduce Surgical Site Infection: Results of the Hawaii Surgical Unit-based Safety Program

Della M. Lin, MD, MS, FASA, Kathryn A. Carson, ScM, Lisa H. Lubomski, PhD, Elizabeth C. Wick, MD, FACS, Julius Cuong Pham, MD, PhD

PII: S1072-7515(18)30330-2

DOI: [10.1016/j.jamcollsurg.2018.04.031](https://doi.org/10.1016/j.jamcollsurg.2018.04.031)

Reference: ACS 9160

To appear in: *Journal of the American College of Surgeons*

Received Date: 29 January 2018

Revised Date: 4 April 2018

Accepted Date: 5 April 2018

Please cite this article as: Lin DM, Carson KA, Lubomski LH, Wick EC, Pham JC, Statewide Collaborative to Reduce Surgical Site Infection: Results of the Hawaii Surgical Unit-based Safety Program, *Journal of the American College of Surgeons* (2018), doi: 10.1016/j.jamcollsurg.2018.04.031.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
