Patty Huijgens e-mail: patty.t.huijgens@uit.no

Eelke Snoeren e-mail: eelke.snoeren@uit.no

\*Corresponding author: Roy Heijkoop, roy.heijkoop@uit.no

### **Highlights**

- Review of potentials and pitfalls of animal models in rat sexual behavior
- Sexual incentive motivation is studied in a different test than sexual behavior
- Essential to use the appropriate model for the topic of investigation
- Important to be critical of the interpretation of results
