

Accepted Manuscript

Title: Income change alters default mode network connectivity for adolescents in poverty

Authors: David G. Weissman, Rand D. Conger, Richard W. Robins, Paul D. Hastings, Amanda E. Guyer

PII: S1878-9293(17)30046-4
DOI: <https://doi.org/10.1016/j.dcn.2018.01.008>
Reference: DCN 531

To appear in:

Received date: 27-2-2017
Revised date: 12-12-2017
Accepted date: 22-1-2018

Please cite this article as: Weissman, David G., Conger, Rand D., Robins, Richard W., Hastings, Paul D., Guyer, Amanda E., Income change alters default mode network connectivity for adolescents in poverty. *Developmental Cognitive Neuroscience* <https://doi.org/10.1016/j.dcn.2018.01.008>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Income change alters default mode network connectivity for adolescents in poverty
