

Author's Accepted Manuscript

Rhythms of Metabolism in Adipose tissue and Mitochondria

Yasemin Onder, Carla B. Green

PII: S2451-9944(17)30028-7
DOI: <https://doi.org/10.1016/j.nbscr.2018.01.001>
Reference: NBSCR27

To appear in: *Neurobiology of Sleep and Circadian Rhythms*

Received date: 2 October 2017
Revised date: 13 December 2017
Accepted date: 30 January 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Rhythms of Metabolism in Adipose tissue and Mitochondria
