

## Accepted Manuscript

Title: Identifying mechanisms of stance control: a single stimulus multiple output model-fit approach

Authors: Adam D. Goodworth, Robert J. Peterka

PII: S0165-0270(17)30432-6

DOI: <https://doi.org/10.1016/j.jneumeth.2017.12.015>

Reference: NSM 7921

To appear in: *Journal of Neuroscience Methods*

Received date: 30-3-2017

Revised date: 13-12-2017

Accepted date: 21-12-2017

Please cite this article as: Goodworth Adam D, Peterka Robert J. Identifying mechanisms of stance control: a single stimulus multiple output model-fit approach. *Journal of Neuroscience Methods* <https://doi.org/10.1016/j.jneumeth.2017.12.015>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Identifying mechanisms of stance control: a single stimulus multiple output model-fit approach
