Neuroscience Forefront Review

At the Origin of the History of Glia

Xue Fan, Yves Agid

PII: S0306-4522(18)30409-3

DOI: <https://doi.org/10.1016/j.neuroscience.2018.05.050>

Reference: NSC 18487

To appear in: *Neuroscience*

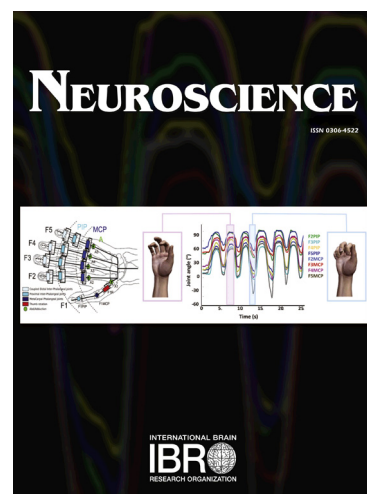

Received Date: 14 February 2018

Revised Date: 31 May 2018

Accepted Date: 31 May 2018

Please cite this article as: X. Fan, Y. Agid, At the Origin of the History of Glia, *Neuroscience* (2018), doi: <https://doi.org/10.1016/j.neuroscience.2018.05.050>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

At the Origin of the History of Glia
