This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title: *Nf2* mutation in Schwann cells delays functional neural recovery following injury

Authors: Kristy Truong¹, Iram Ahmad¹, J. Jason Clark¹, Alison Seline¹, Tyler Bertroche¹, Brian Mostaert¹, Douglas J. Van Daele¹, Marlan R. Hansen^{1,2}
