

## Accepted Manuscript

Title: TSPO ligand PK11195 improves Alzheimer-related outcomes in aged female 3xTg-AD mice

Authors: Amy Christensen, Christian J. Pike

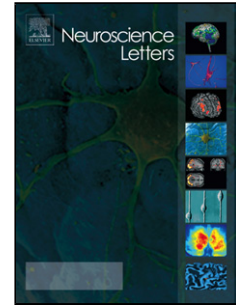

PII: S0304-3940(18)30432-4  
DOI: <https://doi.org/10.1016/j.neulet.2018.06.029>  
Reference: NSL 33660

To appear in: *Neuroscience Letters*

Received date: 25-4-2018  
Accepted date: 15-6-2018

Please cite this article as: Christensen A, Pike CJ, TSPO ligand PK11195 improves Alzheimer-related outcomes in aged female 3xTg-AD mice, *Neuroscience Letters* (2018), <https://doi.org/10.1016/j.neulet.2018.06.029>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**TSPO ligand PK11195 improves Alzheimer-related outcomes in aged female 3xTg-  
AD mice**
