Key Composition Optimization of Meat Processed Protein Source by Acuum Freeze-drying Technology

Yan Ma, XingzhuangWu, Qi Zhang, Vigna Giovanni, Xianjun Meng

PII: S1319-562X(17)30235-8
DOI: <https://doi.org/10.1016/j.sjbs.2017.09.013>
Reference: SJBS 1016

To appear in: *Saudi Journal of Biological Sciences*

Received Date: 26 July 2017
Revised Date: 25 September 2017
Accepted Date: 28 September 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Key Composition Optimization of Meat Processed Protein Source by Vacuum Freeze-drying Technology
