How does free ammonia-based sludge pretreatment improve methane production from anaerobic digestion of waste activated sludge

Dongbo Wang, Bowen Liu, Xuran Liu, Qiuxiang Xu, Qi Yang, Yiwen Liu, Guangming Zeng, Xiaoming Li, Bing-Jie Ni

PII: S0045-6535(18)30907-X

DOI: [10.1016/j.chemosphere.2018.05.059](https://doi.org/10.1016/j.chemosphere.2018.05.059)

Reference: CHEM 21391

To appear in: *ECSN*

Received Date: 10 February 2018

Revised Date: 7 May 2018

Accepted Date: 10 May 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
