### Accepted Manuscript

Back to the future: Testing different scenarios for the next supercontinent gathering

Hannah S. Davies, J.A. Mattias Green, João C. Duarte

PII: S0921-8181(18)30205-4

DOI: doi:10.1016/j.gloplacha.2018.07.015

Reference: GLOBAL 2807

To appear in: Global and Planetary Change

Received date: 27 April 2018 Revised date: 25 July 2018 Accepted date: 25 July 2018

Please cite this article as: Hannah S. Davies, J.A. Mattias Green, João C. Duarte, Back to the future: Testing different scenarios for the next supercontinent gathering. Global (2018), doi:10.1016/j.gloplacha.2018.07.015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
