Center for Plant Conservation's Best Practice Guidelines for the reintroduction of rare plants

Joyce Maschinski, Matthew A. Albrecht

PII: S2468-2659(17)30098-7

DOI: [10.1016/j.pld.2017.09.006](https://doi.org/10.1016/j.pld.2017.09.006)

Reference: PLD 84

To appear in: *Plant Diversity*

Received Date: 7 June 2017

Revised Date: 18 September 2017

Accepted Date: 21 September 2017

Please cite this article as: Maschinski, J., Albrecht, M.A., Center for Plant Conservation's Best Practice Guidelines for the reintroduction of rare plants, *Plant Diversity* (2017), doi: 10.1016/j.pld.2017.09.006.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
