This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## Highlights

- Inspectors observed significantly more non-compliances than auditors non-conformities
- All inspectors and 90% of FBOs agree that legislation and standards overlap
- The majority of respondents stated that certified FSMSs could reduce inspections
- Almost half of the FBOs need more information on food safety legislation
