Anthocyanins in cereals: Composition and health effects

Fan Zhu

PII: S0963-9969(18)30285-0
DOI: doi:[10.1016/j.foodres.2018.04.015](https://doi.org/10.1016/j.foodres.2018.04.015)
Reference: FRIN 7533
To appear in: *Food Research International*
Received date: 20 February 2018
Revised date: 30 March 2018
Accepted date: 12 April 2018

Please cite this article as: Fan Zhu , Anthocyanins in cereals: Composition and health effects. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. *Food Research International* (2018), doi:[10.1016/j.foodres.2018.04.015](https://doi.org/10.1016/j.foodres.2018.04.015)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Anthocyanins in cereals: Composition and health effects
