District-level Assessment of the Ecohydrological Resilience to Hydroclimatic Disturbances and its Controlling Factors in India

Ashutosh Sharma, Manish Kumar Goyal

PII:	S0022-1694(18)30593-6
DOI:	https://doi.org/10.1016/j.jhydrol.2018.07.079
Reference:	HYDROL 23011
To appear in:	Journal of Hydrology
Received Date:	13 December 2017
Revised Date:	14 May 2018
Accepted Date:	27 July 2018

Please cite this article as: Sharma, A., Goyal, M.K., District-level Assessment of the Ecohydrological Resilience to Hydroclimatic Disturbances and its Controlling Factors in India, *Journal of Hydrology* (2018), doi: https://doi.org/ 10.1016/j.jhydrol.2018.07.079

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
