Decadal changes of reference crop evapotranspiration attribution: spatial and temporal variability over China 1960 - 2011

Ze-Xin Fan, Axel Thomas

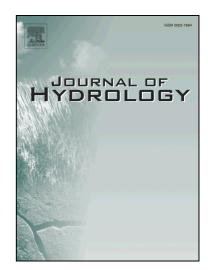

PII: S0022-1694(18)30162-8

DOI: https://doi.org/10.1016/j.jhydrol.2018.02.080

Reference: HYDROL 22629

To appear in: Journal of Hydrology

Received Date: 21 June 2017 Revised Date: 26 February 2018 Accepted Date: 27 February 2018

Please cite this article as: Fan, Z-X., Thomas, A., Decadal changes of reference crop evapotranspiration attribution: spatial and temporal variability over China 1960 - 2011, *Journal of Hydrology* (2018), doi: https://doi.org/10.1016/j.jhydrol.2018.02.080

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
