Impacts of Mesopotamian wetland re-flooding on the lipid biomarker distributions in sediments

Ahmed I. Rushdi, Ali A.Z. DouAbul, Sama S. Al-Maarofi, Bernd R.T. Simoneit

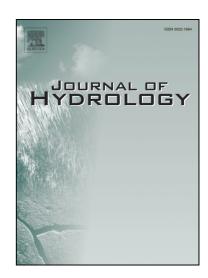

PII: S0022-1694(18)30030-1

DOI: https://doi.org/10.1016/j.jhydrol.2018.01.030

Reference: HYDROL 22512

To appear in: Journal of Hydrology

Received Date: 11 July 2017 Revised Date: 9 January 2018 Accepted Date: 11 January 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
