Hydraulic Analysis of Harmonic Pumping Tests in Frequency and Time Domains for Identifying the Conduits Networks in a Karstic Aquifer

P. Fischer, A. Jardani, M. Cardiff, N. Lecoq, H. Jourde

PII: S0022-1694(18)30176-8

DOI: <https://doi.org/10.1016/j.jhydrol.2018.03.010>

Reference: HYDROL 22643

To appear in: *Journal of Hydrology*

Received Date: 24 September 2017

Revised Date: 28 February 2018

Accepted Date: 4 March 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
