

## Accepted Manuscript

Title: Oceanic and atmospheric conditions associated with the pentad rainfall over the southeastern peninsular India during the North-East Indian Monsoon season

Authors: Jothiganesh Shanmugasundaram, Eungul Lee

PII: S0377-0265(17)30075-1  
DOI: <https://doi.org/10.1016/j.dynatmoce.2017.11.001>  
Reference: DYNAT 1040

To appear in: *Dynamics of Atmospheres and Oceans*

Received date: 29-6-2017  
Revised date: 9-10-2017  
Accepted date: 6-11-2017

Please cite this article as: Shanmugasundaram, Jothiganesh, Lee, Eungul, Oceanic and atmospheric conditions associated with the pentad rainfall over the southeastern peninsular India during the North-East Indian Monsoon season. *Dynamics of Atmospheres and Oceans* <https://doi.org/10.1016/j.dynatmoce.2017.11.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Oceanic and atmospheric conditions associated with the pentad rainfall over the southeastern peninsular India during the North-East Indian Monsoon season**
