

## Accepted Manuscript

Title: Late Paleozoic – Mesozoic Tectonic Evolution of the Eastern Taimyr-Severnaya Zemlya Fold and Thrust Belt and Adjoining Yenisey-Khatanga Depression

Authors: Andrey K. Khudoley, Vladimir E. Verzhbitsky, Dmitry A. Zastrozhnov, Paul O'Sullivan, Victoria B. Ershova, Vasily F. Proskurnin, Marianna I. Tuchkova, Mikhail A. Rogov, T.Kurtis Kyser, Sergey V. Malyshev, Gennady V. Schneider

PII: S0264-3707(17)30181-3  
DOI: <https://doi.org/10.1016/j.jog.2018.02.002>  
Reference: GEOD 1541

To appear in: *Journal of Geodynamics*

Received date: 15-8-2017  
Revised date: 29-1-2018  
Accepted date: 17-2-2018

Please cite this article as: Khudoley, Andrey K., Verzhbitsky, Vladimir E., Zastrozhnov, Dmitry A., O'Sullivan, Paul, Ershova, Victoria B., Proskurnin, Vasily F., Tuchkova, Marianna I., Rogov, Mikhail A., Kyser, T.Kurtis, Malyshev, Sergey V., Schneider, Gennady V., Late Paleozoic – Mesozoic Tectonic Evolution of the Eastern Taimyr-Severnaya Zemlya Fold and Thrust Belt and Adjoining Yenisey-Khatanga Depression. *Journal of Geodynamics* <https://doi.org/10.1016/j.jog.2018.02.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
