Petrogenesis of granitoids in the Dewulu skarn copper deposit: implications for the evolution of the Paleotethys ocean and mineralization in Western Qinling, China

Kun-Feng Qiu, Jun Deng

PII: S0169-1368(16)30305-5
DOI: doi: [10.1016/j.oregeorev.2016.09.027](https://doi.org/10.1016/j.oregeorev.2016.09.027)
Reference: OREGEO 1952

To appear in: *Ore Geology Reviews*

Received date: 31 May 2016
Revised date: 20 September 2016
Accepted date: 22 September 2016

Please cite this article as: Qiu, Kun-Feng, Deng, Jun, Petrogenesis of granitoids in the Dewulu skarn copper deposit: implications for the evolution of the Paleotethys ocean and mineralization in Western Qinling, China, *Ore Geology Reviews* (2016), doi: [10.1016/j.oregeorev.2016.09.027](https://doi.org/10.1016/j.oregeorev.2016.09.027)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Petrogenesis of granitoids in the Dewulu skarn copper deposit:
implications for the evolution of the Paleotethys ocean and
mineralization in Western Qinling, China**
