

## Accepted Manuscript

Magnesium isotope record of fluid metasomatism along the slab-mantle interface in subduction zones

Wang-Ye Li, Fang-Zhen Teng, Yilin Xiao

PII: S0016-7037(18)30368-5  
DOI: <https://doi.org/10.1016/j.gca.2018.06.034>  
Reference: GCA 10823

To appear in: *Geochimica et Cosmochimica Acta*

Received Date: 6 February 2018  
Revised Date: 18 June 2018  
Accepted Date: 28 June 2018

Please cite this article as: Li, W-Y., Teng, F-Z., Xiao, Y., Magnesium isotope record of fluid metasomatism along the slab-mantle interface in subduction zones, *Geochimica et Cosmochimica Acta* (2018), doi: <https://doi.org/10.1016/j.gca.2018.06.034>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Magnesium isotope record of fluid metasomatism along the  
slab-mantle interface in subduction zones**
