

Accepted Manuscript

An Isotopic, Elemental and Structural Study of Silicon Nitride from Enstatite Chondrites

J. Leitner, C. Vollmer, T. Henkel, U. Ott, P. Hoppe

PII: S0016-7037(18)30297-7
DOI: <https://doi.org/10.1016/j.gca.2018.05.025>
Reference: GCA 10782

To appear in: *Geochimica et Cosmochimica Acta*

Received Date: 14 November 2017
Accepted Date: 27 May 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

An Isotopic, Elemental and Structural Study of Silicon Nitride from Enstatite Chondrites
