

Accepted Manuscript

A new type of oxidized and pre-irradiated micrometeorite

Carole Cordier, Bastian Baecker, Ulrich Ott, Luigi Folco, Mario Trieloff

PII: S0016-7037(18)30207-2
DOI: <https://doi.org/10.1016/j.gca.2018.04.010>
Reference: GCA 10731

To appear in: *Geochimica et Cosmochimica Acta*

Received Date: 21 September 2017

Accepted Date: 5 April 2018

Please cite this article as: Cordier, C., Baecker, B., Ott, U., Folco, L., Trieloff, M., A new type of oxidized and pre-irradiated micrometeorite, *Geochimica et Cosmochimica Acta* (2018), doi: <https://doi.org/10.1016/j.gca.2018.04.010>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

A new type of oxidized and pre-irradiated micrometeorite
