This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Title: Microfacies, depositional environments and meter-scale cycles of the middle
Jurassic Tuwaiq Mountain Formation, Central Saudi Arabia**

Order of Authors: M. El-Yamani; Khalid Al-Ramadan; Axel Munnecke; Dave
Cantrell; Waleed Abdulghani; Lukas Reuß

Corresponding Author: Dr. Khalid Al-Ramadan,

Corresponding Author's Institution: King Fahd University of Petroleum and
Minerals
