

## Accepted Manuscript

Study on the performance liquid refrigerant defrosting system

Meng Wang, Runqing Zang

PII: S2451-9049(18)30063-5

DOI: <https://doi.org/10.1016/j.tsep.2018.07.002>

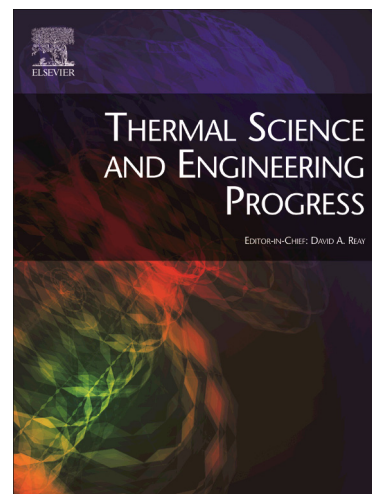

Reference: TSEP 196

To appear in: *Thermal Science and Engineering Progress*

Received Date: 1 February 2018

Revised Date: 13 June 2018

Accepted Date: 2 July 2018

Please cite this article as: M. Wang, R. Zang, Study on the performance liquid refrigerant defrosting system, *Thermal Science and Engineering Progress* (2018), doi: <https://doi.org/10.1016/j.tsep.2018.07.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Study on the performance liquid refrigerant defrosting system**
