

Accepted Manuscript

Rodent models of fatty liver diseases

Adeline Bertola

PII: S2542-5684(18)00015-6

DOI: [10.1016/j.livres.2018.03.001](https://doi.org/10.1016/j.livres.2018.03.001)

Reference: LIVRES 39

To appear in: *Liver Research*

Received Date: 30 October 2017

Revised Date: 29 January 2018

Accepted Date: 8 February 2018

Please cite this article as: Bertola A, Rodent models of fatty liver diseases, *Liver Research* (2018), doi: 10.1016/j.livres.2018.03.001.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
