Myeloid cell heterogeneity in cancer: not a single cell alike

Mate Kiss, Sofie Van Gassen, Kiavash Movahedi, Yvan Saeys, Damya Laoui

PII: S0008-8749(18)30057-1

DOI: <https://doi.org/10.1016/j.cellimm.2018.02.008>

Reference: YCIMM 3768

To appear in: *Cellular Immunology*

Received Date: 27 October 2017

Revised Date: 10 February 2018

Accepted Date: 11 February 2018

Please cite this article as: M. Kiss, S. Van Gassen, K. Movahedi, Y. Saeys, D. Laoui, Myeloid cell heterogeneity in cancer: not a single cell alike, *Cellular Immunology* (2018), doi: <https://doi.org/10.1016/j.cellimm.2018.02.008>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Myeloid cell heterogeneity in cancer: not a single cell alike
