

# Accepted Manuscript

Title: Sudden Creatine Kinase Elevation When an Athlete Starts Boxing: Looking Deeper before Knocking the Statin Out

Author: Aakash Bavishi, Travis Howard, Amanda Rosen, Neil J. Stone

PII: S0002-9343(18)30297-3

DOI: <https://doi.org/10.1016/j.amjmed.2018.03.016>

Reference: AJM 14600

To appear in: *The American Journal of Medicine*

Please cite this article as: Aakash Bavishi, Travis Howard, Amanda Rosen, Neil J. Stone, Sudden Creatine Kinase Elevation When an Athlete Starts Boxing: Looking Deeper before Knocking the Statin Out, *The American Journal of Medicine* (2018), <https://doi.org/10.1016/j.amjmed.2018.03.016>.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
