Why Does Language Not Emerge Until the Second Year?

Rhodri Cusack, Conor J. Wild, Leire Zubiaurre-Elorza, Annika C. Linke

PII: S0378-5955(17)30607-X

DOI: [10.1016/j.heares.2018.05.004](https://doi.org/10.1016/j.heares.2018.05.004)

Reference: HEARES 7552

To appear in: *Hearing Research*

Received Date: 22 December 2017

Revised Date: 30 April 2018

Accepted Date: 7 May 2018

Please cite this article as: Cusack, R., Wild, C.J., Zubiaurre-Elorza, L., Linke, A.C., Why Does Language Not Emerge Until the Second Year?, *Hearing Research* (2018), doi: 10.1016/j.heares.2018.05.004.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Why Does Language Not Emerge Until the Second Year?
