

Accepted Manuscript

Does only the age of the hen matter in *Salmonella enterica* contamination of eggs?

Helen Kathleen Crabb, James Rudkin Gilkerson, Glenn Francis Browning

PII: S0740-0020(18)30382-4

DOI: [10.1016/j.fm.2018.08.006](https://doi.org/10.1016/j.fm.2018.08.006)

Reference: YFMIC 3063

To appear in: *Food Microbiology*

Received Date: 25 April 2018

Revised Date: 20 July 2018

Accepted Date: 12 August 2018

Please cite this article as: Crabb, H.K., Gilkerson, J.R., Browning, G.F., Does only the age of the hen matter in *Salmonella enterica* contamination of eggs?, *Food Microbiology* (2018), doi: 10.1016/j.fm.2018.08.006.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Does only the age of the hen matter in *Salmonella enterica* contamination of eggs?
