Physician in Chief, Children's Hospital of Richmond at VCU  
1000 East Broad St  
Richmond, VA 23298 USA  
email: bruce.rubin@vcuhealth.org

**Educational Aims:**

**The reader will come to appreciate:**

- **The discrepancy between physicians perception of what's best for patients and what patients perceive that they need.**
- **That patient adherence to asthma treatment plans is often based on their understating and beliefs around the value and risks of therapy**
- **That better understanding patient's perspectives and active enagement with the patient in developing treatment palns may imporove adherence and asthma outcomes.**
