

## Accepted Manuscript

Assessing annual and perennial flowering plants for biological control in asparagus

Amanda Buchanan, Matthew Grieshop, Zsafia Szendrei

PII: S1049-9644(18)30289-5

DOI: <https://doi.org/10.1016/j.biocontrol.2018.08.013>

Reference: YBCON 3829

To appear in: *Biological Control*

Received Date: 26 April 2018

Revised Date: 7 August 2018

Accepted Date: 14 August 2018

Please cite this article as: Buchanan, A., Grieshop, M., Szendrei, Z., Assessing annual and perennial flowering plants for biological control in asparagus, *Biological Control* (2018), doi: <https://doi.org/10.1016/j.biocontrol.2018.08.013>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
