Processing Apoferritin with the Appion Pipeline

Scott Stagg, Joshua H. Mendez

PII: S1047-8477(18)30157-6
DOI: <https://doi.org/10.1016/j.jsb.2018.06.009>
Reference: YJSBI 7210

To appear in: *Journal of Structural Biology*

Received Date: 12 March 2018
Revised Date: 8 June 2018
Accepted Date: 29 June 2018

Please cite this article as: Stagg, S., Mendez, J.H., Processing Apoferritin with the Appion Pipeline, *Journal of Structural Biology* (2018), doi: <https://doi.org/10.1016/j.jsb.2018.06.009>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Processing Apoferritin with the Appion Pipeline
