Title: Radiotherapy in acromegaly: long-term brain parenchymal and vascular magnetic resonance changes

Author: Laura Milanese Chiara Martini Carla Scaroni
Francesca Dassie Filippo Ceccato Alessandro Della Puppa
Luca Denaro Giulia Bommarito Valentina Citton Mario
Ermani Pietro Maffei Renzo Manara

PII: S0150-9861(17)30296-1
DOI: <https://doi.org/doi:10.1016/j.neurad.2018.02.004>
Reference: NEURAD 713

To appear in: *Journal of Neuroradiology*

Received date: 7-5-2017
Revised date: 21-1-2018
Accepted date: 7-2-2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Radiotherapy in acromegaly: long-term brain parenchymal and vascular magnetic resonance changes.
