Contribution of authors

JF designed the review, organized the literature, and wrote the first draft of the manuscript. TK, MM, DP; and J-MB completed the literature search, supported in the writing, provided critical comments, gave feedback, and helped to finalise the manuscript.

Disclaimers (Conflicts of interest)

JF, MM, DP, and J-MB: nothing to declare

TK has been a principal investigator or investigator on industry-sponsored trials funded by Santhera Pharmaceuticals Ltd (idebenone in LHON, idebenone in Friedreich ataxia), GenSight Biologics (gene therapy in LHON) and by H. Lundbeck A/S (carbamylated erythropoietin in Friedreich ataxia). He has received research support from government entities (German Research Foundation; German Federal Ministry of Education and Research; European Commission 7th Framework Programme) and from commercial entities (Santhera Pharmaceuticals Ltd; Actelion Pharmaceuticals Ltd; H. Lundbeck A/S; GenSight Biologics). He has been serving on scientific advisory boards for commercial entities (Santhera Pharmaceuticals Ltd; Actelion Pharmaceuticals Ltd) and for non-profit
