We thank the paper's anonymous reviewers, Gilles Duranton, Laurent Gobillon, and Anthony Yezer for helpful comments. We also thank seminar participants at the Board of Governors of the Federal Reserve System, the Cleveland Federal Reserve Bank, George Washington University, UCLA, University of Cincinnati, University of Pennsylvania, the 2015 UEA/NARSC Conference in Portland, and the 2016 AREUEA-ASSA Meetings in San Francisco. We thank as well Daniel Peek and Joseph Shaw for valuable discussions on commercial buildings and leases. In addition, we thank several commercial real estate organizations for providing us with access to their offering memoranda. CompStak data were obtained with support from the Center for Real Estate and Finance at the School of Hotel Administration at Cornell and also from the Maxwell School at Syracuse University. Strange acknowledges financial support from the Social Sciences and Humanities Research Council of Canada and the Centre for Real Estate at the Rotman School of Management. Nuno Mota, Sherry Zhang, Jindong Pang, and Boqian Jiang provided excellent research assistance. Errors, of course, are the responsibility of the three authors.
