
Title: Towards the Development of Robot Immune System: A Combined Approach Involving Innate Immune Cells and T-lymphocytes

Authors: Maria Akram, Ali Raza

PII: S0303-2647(18)30179-5
DOI: https://doi.org/10.1016/j.biosystems.2018.08.003
Reference: BIO 3868

To appear in: *BioSystems*

Received date: 7-5-2018
Revised date: 5-7-2018
Accepted date: 8-8-2018
